Arriving from the Airport

The best option is to use the Underground¹. Take the Line 8 to “Nuevos Ministerios”. Transfer to Line 6 towards “Cuatro Caminos” and get out at “Alto de Extremadura”. When you get outside the station, you will be in a small square next to the Paseo de Extremadura Avenue. On one side of the square you will find a small tunnel that will get you past through the building to arrive at a big roundabout. Cross the "Avenida de Portugal" there and get inside the fairgrounds into "Casa de Campo". After a five minute walk and you'll get to the building (see the map above).

Arriving from the Staff Hotel

The best option is to use the Underground although you may also go walking. Walk to Underground Station "Intercambiador de Príncipe Pío". Take the metro Line 6 to "Alto de Extremadura". Then follow the same instructions of "Arriving from The Airport".
