

END OF THE ROUND!

It looks like we're going to draw, but that means neither of us can make TOP8.

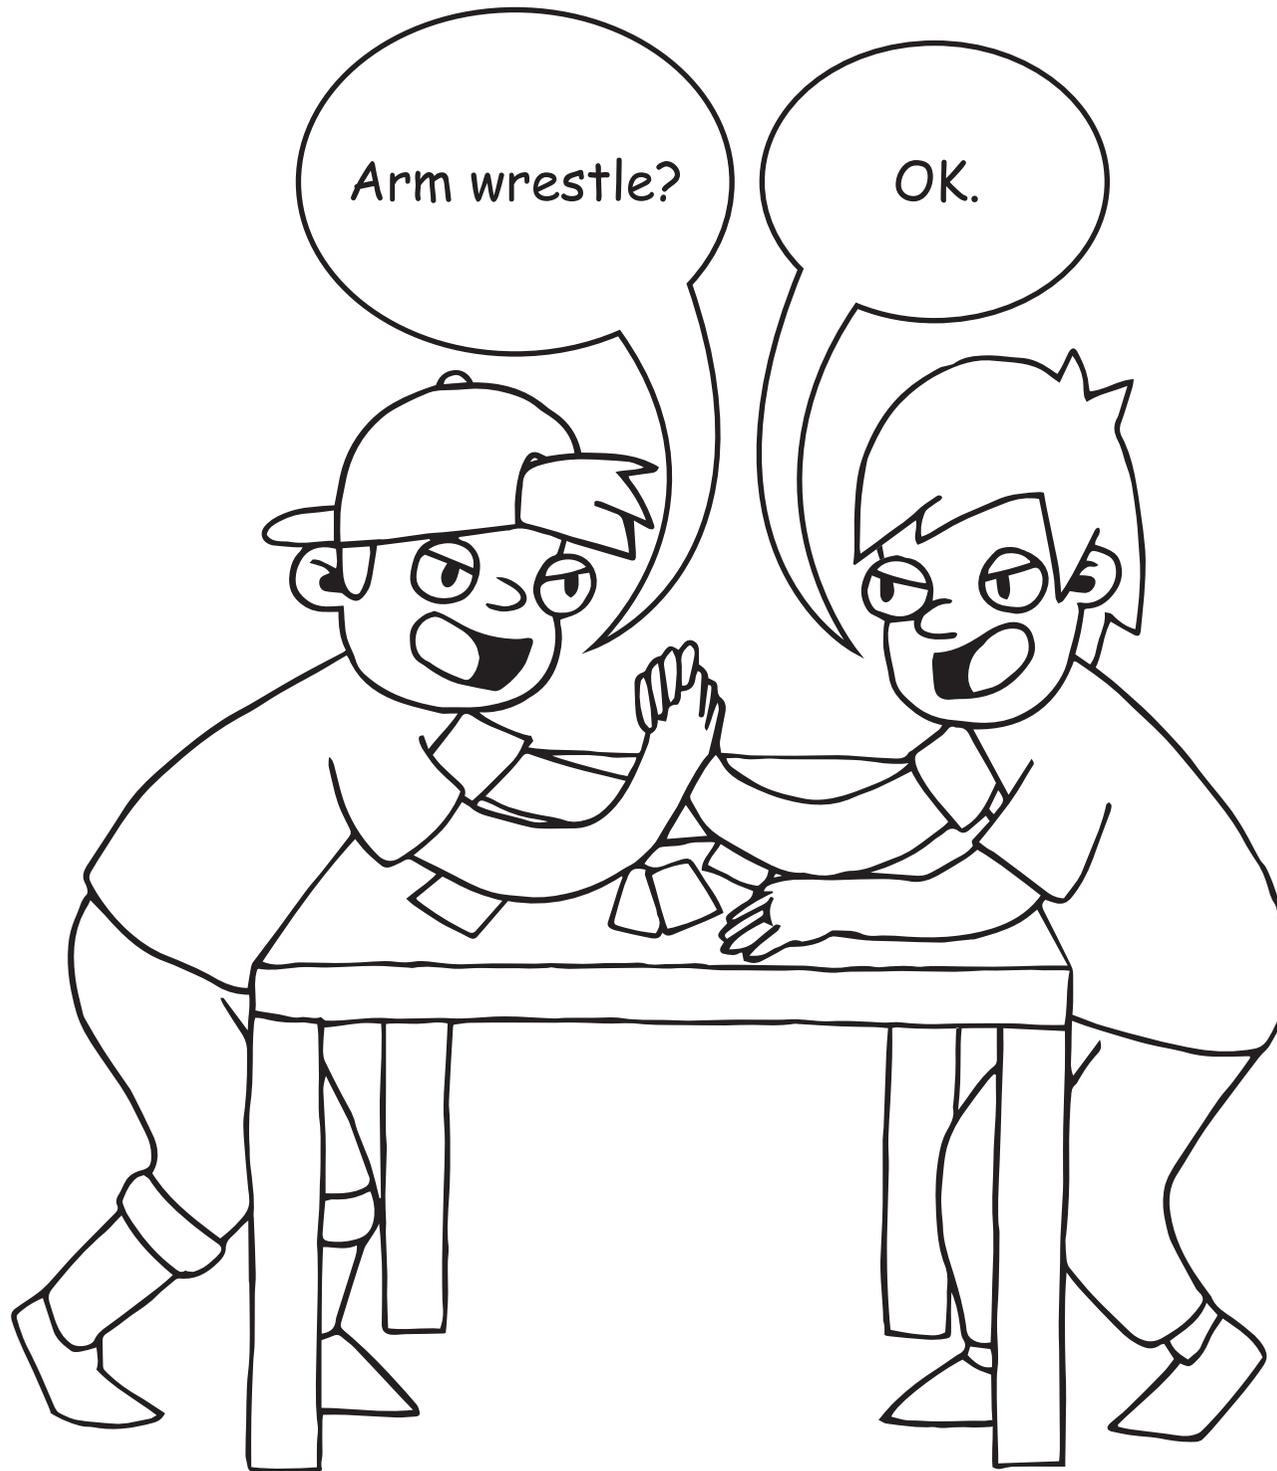

That's true. What'll we do?

Hey, why don't we roll a die? Higher number wins!

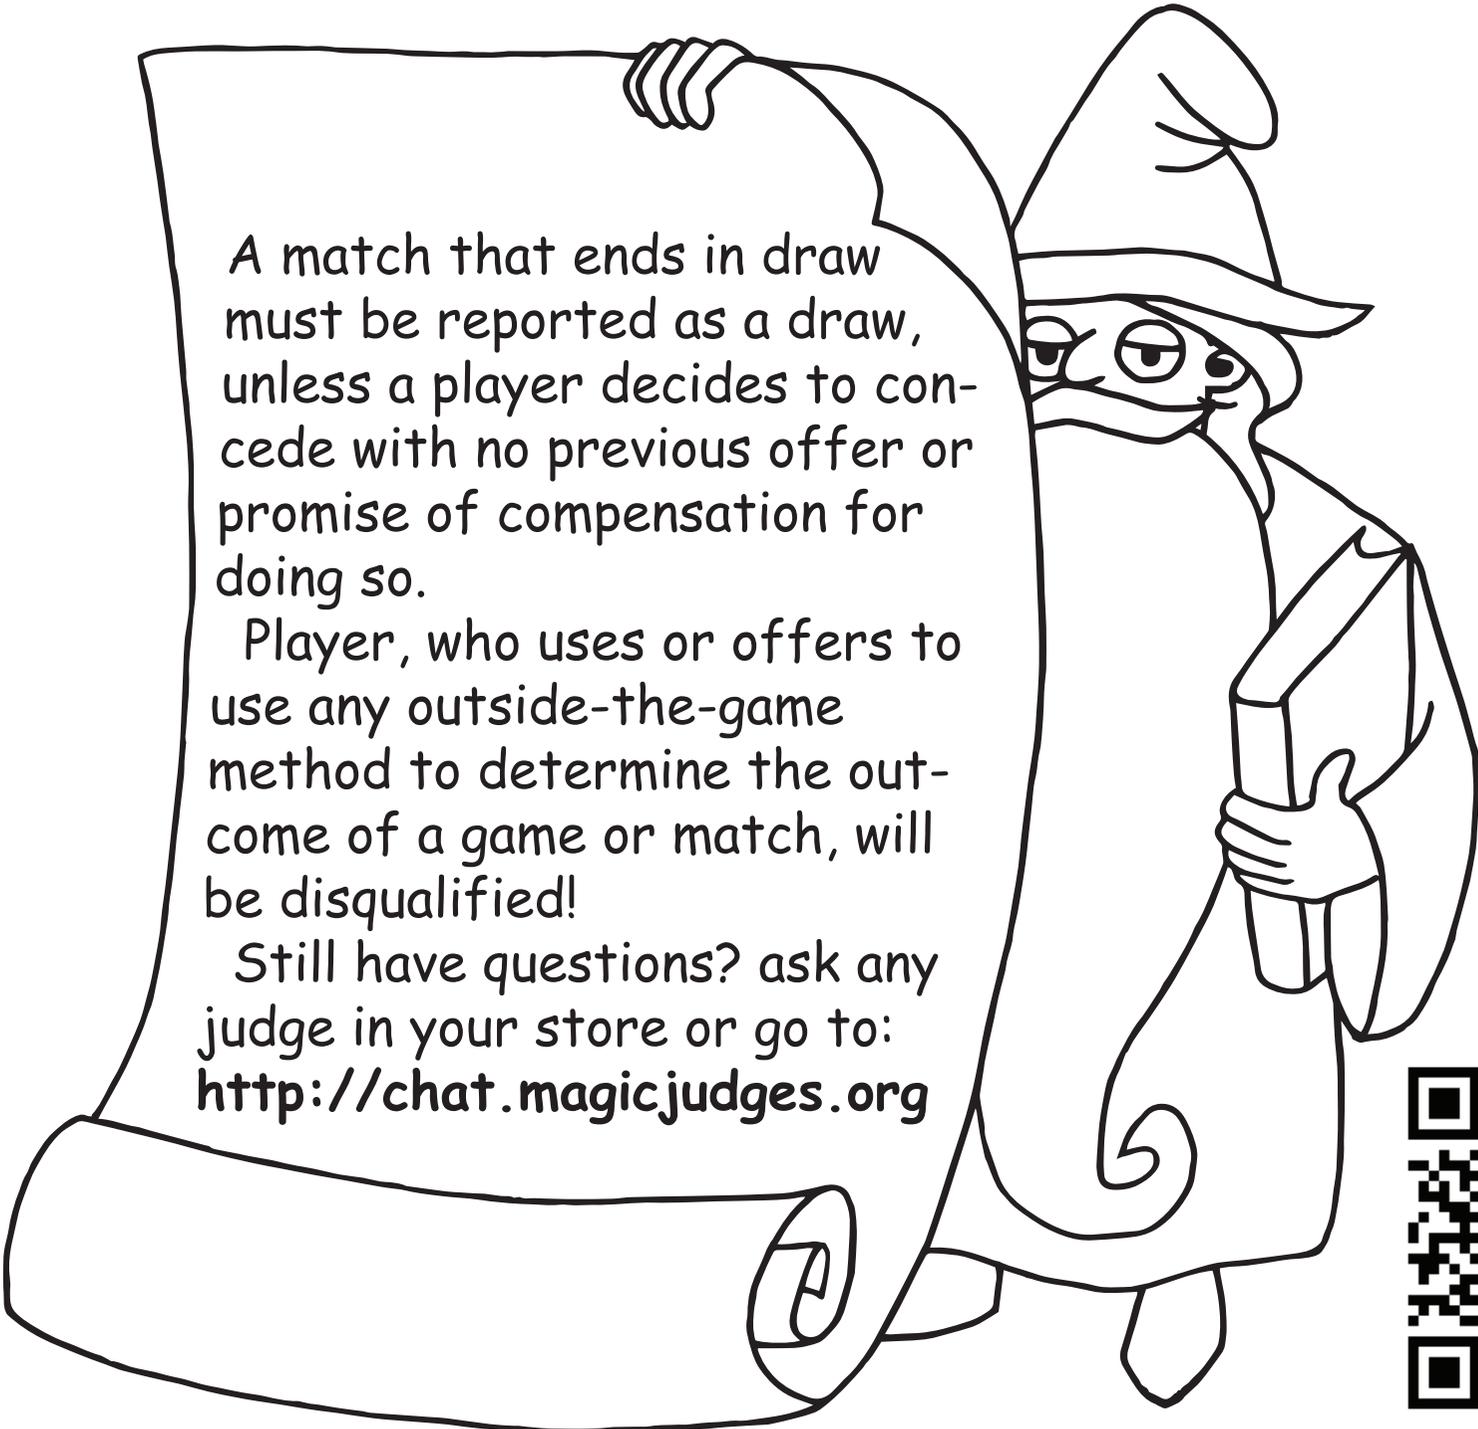

How about we reveal the top card of our decks and higher mana cost wins?

Arm wrestle?

OK.

A match that ends in draw must be reported as a draw, unless a player decides to concede with no previous offer or promise of compensation for doing so.

Player, who uses or offers to use any outside-the-game method to determine the outcome of a game or match, will be disqualified!
